\* Depends on model

\*\*Number depends on model

\*\*\*When one of those indication lights are on, you can ignore these. The washing tablets you use, already contain salt and rinse aid.

**Programme**

Type of tableware	Type of soiling	
Pots, pans, non-sensitive crockery and cutlery.	Very soiling and lots of sticky food.	 Intensief 70°
Mixed crockery and cutlery.	Light dried and daily food.	 Normaal 65°
		 Eco 50°
Sensitive crockery, cutlery, temperature-sensitive plastics and glasses.	A little bit sticky food and fresh food waste.	 Glas 40°
		 Snel 45°
All sort of crockery.	Cold pre-rinsing, interim cleaning.	 Voorspoelen
